NATURE ENVIRONMENT & WILDLIFE SOCIETY (NEWS) is one of the leading NGO’s in Eastern India. Since 1991, NEWS is committed to protect and conserve wildlife, ecology and environment, as well as to alleviate poverty of the forest fringe villagers through alternative and sustainable livelihood. Our research, conservation and community development activities, conducted by the best hands in the field are well documented. The organisation is backed by a governing body which comprises Corporates, Scientists, Environmentalist, Lawyers and Naturalists. The Organisation has a very active technical advisory board and ethical committee.
