SUNDERBAN TIGER AWARENESS GETS A SHOT IN THE ARM

On International Tiger Day, the US Consulate General of Kolkata, Nature, Environment and Wildlife Society (NEWS) and EcoViva — Life in Wild, organised an interactive session titled 'Sunderban Tigers, The Road Ahead' at the American Center to raise awareness regarding the conservation of the Sunderban tigers. US consular general Patti Hoffman and director of Zoological Survey of India, Kailash Chandra, inaugurated the event and launched awareness stickers and posters before the panel discussion. The key speakers on the panel were Pradyumn Vora, IPS (retd.), S. Kulachand, IPS, joint director, Sunderban Biosphere Reserve, Durgal, and Suprat Kumar Singh, tiger researcher, Zoological Survey of India. Excerpts...
