

Notice Inviting Quotation

Ref. No: NEWS/TENDER/2026-2027/002,

Date- 07.07.2026

Procurement of Battery-operated Spray machines and Digital Weighing machine

Nature Environment and Wildlife Society (NEWS), having its Registered Office at 10, Chowringhee Terrace Kolkata 700020 and Administrative Office at 5, Bakul Bagan Row, Bhowanipore, Kolkata West Bengal 700025, invites quotations from qualified and eligible agencies for the supply and delivery of Battery Operated Spray Machines and Portable Weighing Machines under its sustainable agriculture programme aimed at promoting the adoption of bio-inoculants and sustainable farming practices among women farmers. Interested suppliers are requested to submit their technical and financial quotations in accordance with the requirements specified in this Notice Inviting Quotation (NIQ).

Scope of Supply

The selected supplier shall supply and deliver the following equipment:

Sl. No.	Equipment	Quantity
1	Battery operated Spray Machine	100 Units
2	Portable Weighing Machine	50 Units

The quoted prices shall include transportation, packing, loading, unloading and delivery to the designated location.

A. Battery Operated Spray Machines

- 16 Litre Capacity – large tank for extended spraying with fewer refills.
- Efficient Performance- high pressure pump for powerful and consistent spraying.
- Adjustable Nozzle- adjustable spray lance for different spraying needs.
- Durable and Strong- made from high quality material for long lasting use.
- Comfortable Design- Ergonomic knapsack design for easy carrying and operation.
- Ideal for Farms, gardens, orchards, plantations and greenhouses

Technical Specifications

Specification	Requirement
Operation	Battery operated (12V, 12 Ah)
Tank capacity	16 Litre
Material	High quality plastic
Pump type	High pressure
Working pressure	2.5-4.5kg/cm ²
Nozzle type	Adjustable
Hose length	1.2 Meter (Approx)
Lance length	50-90 cm (adjustable)
Straps	Padded and adjustable
Applications	Pesticides, herbicides, fertilizers, water and general spray

B. Portable Weighing Machines

- High Precision – Advanced sensors ensure accurate and consistent measurements.
- Compact and Portable- Lightweight design for easy handling and convenient storage.
- Easy Operation- User-friendly buttons with a clear LCD display.
- Multi-Purpose Use- Perfect for kitchen, lab, retail, jewellery and industrial applications

Technical Specifications

Specification	Requirement
Model	Electronic compact scale
Capacity	5kg/0.1g
Display	LCD (green backlight)
Power Supply	2 x AAA Batteries (included)
Auto Power Off	Yes
Tare Function	Yes
Units	g/oz

1.Delivery Location

The successful supplier shall deliver the equipment to: Nature Environment and Wildlife Society, Admin Office - 5, Bakul Bagan Row, Bhowanipore, Kolkata West Bengal 700025

2.Delivery Period

The complete supply shall be delivered within **15 calendar days** from the date of issue of the Purchase Order.

3. Documents to be Submitted

Suppliers shall submit the following documents:

- Certificate of Business Registration
- GST Registration Certificate (if applicable)
- PAN
- Technical specifications (*refer to Annexure 1*)
- Financial quotation (*refer to Annexure 1*)

4. Financial Quotation

The financial quotation shall clearly indicate:

- Unit Price
- Quantity
- Total Price
- Applicable Taxes
- Transportation Charges (if any)
- Grand Total

- Validity of quotation (minimum 60 days)

Prices shall remain fixed throughout the contract period. The bid will be single stage. The contract shall be awarded to the supplier whose quotation is substantially responsive and offers cost effectiveness with best quality.

5. Payment Terms

Payment shall be made upon:

- Successful delivery of all equipment
- Submission of original invoice and supporting documents
- Compliance with contractual requirements.
- Payment will be made through bank transfers only.

Any applicable taxes shall be clearly indicated in the quotation

6. Submission of Quotations

Interested suppliers are requested to submit:

Technical and Financial Proposal

- Including all supporting documents demonstrating compliance with the required specifications.
- Providing detailed pricing in the prescribed format. (*refer to Annexure I*)
- Quotations should be submitted in a sealed envelope clearly marked:

"Quotation for Procurement of Battery-operated Spray Machines and Portable Weighing Machines"

to: 5, Bakul Bagan Row, Bhowanipore, Kolkata West Bengal 700025 by 14.07.2026 by 12pm noon.

Late submissions will not be considered.

7. Contact for Clarification

For any clarification regarding this NIQ, please contact:

Project Manager – Papai Dubey
